KNIGHTPRIDE

Francis Howell North Band Boosters
P.O. Box 637
Saint Peters, MO 63376

Dear Community Member,

Francis Howell North High School has been a part of the St. Charles community for over 30 years. In this time, the FHN Band Boosters have supported our students in music education and band-related activities in numerous ways.

We wouldn't have been able to support those students on their music and educational journeys without sponsors like you.

Will you consider becoming a featured partner of Francis Howell North Band for the 2019-2020 season?

Francis Howell North Band Boosters is a registered **501(c)(3)** non-profit organization whose mission is to support music education and band-related activities at Francis Howell North High School, including marching band, winter guard, winter drumline, concert band, symphonic band, jazz band, and ensembles. We know from experience that the students in our band programs enjoy making music and revel in the camaraderie that these ensembles provide. We believe that being in band helps students develop positive study habits and time management skills, improves their grades, and makes them more confident in themselves. The money we raise directly supports the students in the various bands programs at Francis Howell North.

A sponsorship of any amount can make a huge difference in the affordability of a high quality music program. We have a variety of sponsorship opportunities and packages for you to choose from. Please see enclosed descriptions. **As a proud sponsor, your name and business logo could potentially be exposed to thousands throughout the school year at our events!**

We hope that you will partner with us and look forward to seeing you!

Sincerely,
Kate Statzer
